

Intensive English Program (IEP)

The Intensive English Program (IEP) develops students' vocabulary, grammar, writing, reading, and communication skills for both real-life and educational contexts. Instruction emphasizes vocabulary expansion, paragraph organization, and reading comprehension through strategies such as previewing, predicting, using word clues, and interpreting visual information. Students build confidence speaking in a variety of settings while strengthening their writing skills to produce clear, grammatically correct paragraphs, including expository forms. Grammar instruction covers the foundations of sentence structure, verb tenses, and subject-verb agreement as well as more advanced concepts such as modal verbs, passive voice, verb structures, and conditional sentences. Upon completion, students will be able to interact comfortably in personal, college-level, and professional situations, write with clarity and accuracy, and apply effective reading strategies to a wide range of texts.
